

Jeffrey J. Peters
Director of Safety

Force Preservation Councils

- As directed by HQMC, MFR units conduct FPCs on a semi-annual basis.
 - Feed back from units vary.
 - 4th MARDIV Units – “waste of time, this is small unit leadership”
 - 4th MLG Units – mixed bag of mostly pluses and some minuses.
 - 4th MAW Units – “We are doing this already. No problem.”
- MFR conducts a FPC at the headquarters to manage the program and offer guidance to subordinate units.

Proposed Topics for EFPB

- None noted

WPSR

- Challenging but getting better.
- No MSC point of contacts.
 - MFR Safety Office must contact units directly
 - Time consuming particularly with reduced resources.
 - BRAC has created serious issues with location data.
 - FSRG has further exacerbated structure issues.
